

## Template for Contract Awarded by QCBS

### Project: National Disaster Risk Management Fund (NDRMF)

Contract description: Design review, vetting and construction supervision of sub-schemes

Scope of contract:

PPAF is implementing Project titled “Building Resilience to Disasters & Climate Change) in 16 UCs belonging to eight districts across country, namely, Nasirabad (Balochistan), Multan (Punjab), Shangla, Swabi (KP), Dadu, Jamshoro, Naushero Feroze (Sind) and Skardu (GB). Programme is co-financed by National Disaster Risk Management Fund (NDRMF) and implemented through PPAF and its partner organizations. This project is designed to strengthen readiness of the communities through establishing an institutional framework to mobilize and organize communities, understand their specific vulnerabilities to natural hazards and design structural and non-structural measures to reduce and protect against community vulnerabilities. The Project specifically aims to increase institutional and physical capacity to reduce the socioeconomic and fiscal impacts of natural hazards and climate change in the selected project area.

Duration: 10.5 months

Contract signature date: 24th November, 2020
