Project: NATIONAL POVERTY GRADUATION PROGRAMME (NPGP)

Contract description: National Labor Market Assessment

Scope of contract:

Key objective of the research study is to identify the human capital trends in the labor market, the types of cross-sectoral job/business opportunities available in target districts of NPGP across all four provinces, the skills required for those jobs/businesses, the extent of demand for those skills, and the existing training service providers to cater to this demand. This study will assist NPGP to identify market trends, stakeholders, local employment and entrepreneurial sectors to explore linkages; to identify gaps in skills of target populations vis-à-vis market demand; to customize the designs and approaches of its interventions to improve beneficiaries' access to productive earning opportunities within NPGP target districts and eventually enhance the capacities and participation rates of these local labor markets.

Duration: Five months

Contract signature date: 18th September, 2020
