Eco-friendly packaging factory in Balochistan; a milestone for the economic development

■ RAFIULLAH MANDOKHEL
QUETTA

A new eco-friendly packaging factory, Al-Khair Corrugated Carton Factory, has been inaugurated in the provincial capital Quetta, marking a significant milestone for Balochistan's economic development.

Supported by the European Union's Growth for Rural Advancement and Sustainable Progress (GRASP) programme, the factory addresses a critical supply chain gap, reduces reliance on external suppliers, and promotes sustainable practices.

Owned by entrepreneur Khair Muhammad, it received a PK 30 million rupees matching grant, enabling the import of advanced machinery from China and Germany. This initiative not only creates local jobs but also aligns

with global climate goals through the use of recyclable materials.

The event also saw the distribution of matching grants worth PK 54 million rupees to 14 small and medium enterprises continuing its efforts to strengthen rural economies. The success of the 3rd Cycle Cheque Distribution Ceremony highlights the transformative potential of these initiatives for the region's economy.

The European Union-funded Growth for Rural Advancement and Sustainable Progress (GRASP) programme, implemented by the International Trade Centre (ITC) in collaboration with the Pakistan Poverty Alleviation Fund (PPAF), the Food and Agriculture Organization (FAO), and the Small and Medium Enterprises Development Authority (SMEDA).

Eco-Friendly Packaging Factory Inaugurated in Quetta, Boosting Balochistan's Economy

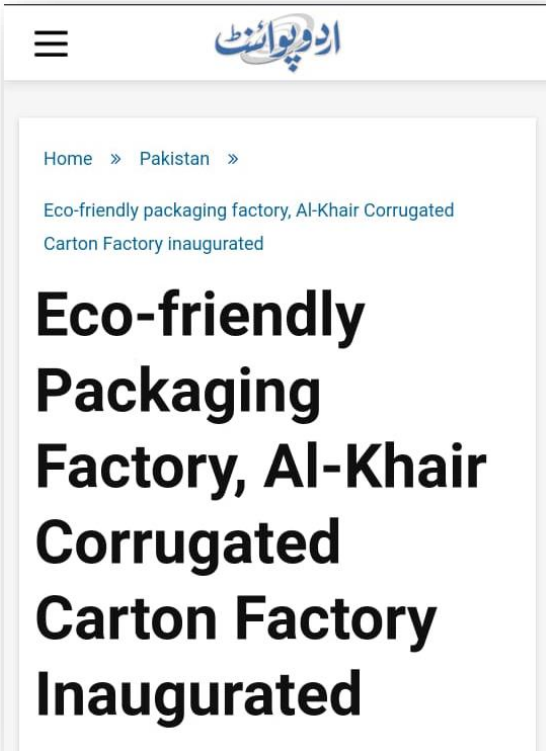

Quetta: A new eco-friendly packaging factory, Al-Khair Corrugated Carton Factory, has been inaugurated in Quetta, marking a significant milestone in Balochistan's economic development.

Balochistan Times:

The image shows the front page of the Balochistan Times newspaper. The masthead features the logo 'BT' in a circle, followed by the title 'Balochistan Times' in a large, green, serif font. To the right of the title is a portrait of a man in a suit. Below the title, it says 'Founded by Syed Faseeh Iqbal in 1976'. There are social media icons for Facebook and Twitter, and a website icon. The publication information includes 'Publication of 92 MEDIA GROUP', 'Regd No. B.C.6 VOL XLV No. 959 QUETTA Thursday December 26, 2024 /Jumada al-Sani 23, 1446 Rs: 30'. The main headline is 'New eco-friendly factory to boosts Balochistan's economy' in a large, black, serif font. Below the headline is the author's name 'Rafiullah Mandokhel'. The article text is in a smaller, black, serif font, starting with 'QUETTA: A new eco-friendly packaging factory, Al-Khair Corrugated Carton Factory, has been inaugurated in Quetta, marking a significant milestone for Balochistan's economic development. The factory, supported by the European Union's Growth for Rural Advancement and Sustainable Progress (GRASP) program, addresses a critical gap in the supply chain, reduces reliance on external suppliers, and promotes sustainable business practices. Owned by entrepreneur Khair Muhammad, the factory received a matching grant of PKR 30 million, which facilitated the import of advanced machinery from China and Germany. This initiative not only creates local employment opportunities but also supports global climate goals by utilizing recyclable materials in production. The inauguration event also saw the distribution of matching grants totaling PKR 54 million to 14 small and medium-sized enterprises (SMEs), further reinforcing efforts to strengthen rural economies. The success of the 3rd Cycle Cheque Distribution Ceremony highlights the transformative potential of these initiatives in boosting the region's economic growth. The European Union-funded GRASP program is implemented by the International Trade Centre (ITC) in partnership with the Pakistan Poverty Alleviation Fund (PPAF), the Food and Agriculture Organization (FAO), and the Small and Medium Enterprises Development Authority (SMEDA).
